Dear Mrs. Davis:

This letter obligates \$154,853 of Operating Fund subsidy for the months of June 2010 through September 2010. The amount of the interim obligation is based on this project's calendar year estimated eligibility. For more information on the methodology used to estimate both subsidy eligibility and funding, please see

Please note that the estimated eligibility for this project may vary from its final eligibility determination. Adjustments will be made based on approved FFY 2010 applications.

All funds must be used in accordance with the Annual Contributions Contract and associated laws and regulations. By drawing down the funds obligated in this letter, you and your agency are confirming agreement and compliance with the all terms and conditions of the Operating Fund program. Further, a drawdown of these funds constitutes an agreement that the current estimated eligibility and obligation is correct. The amount of your agency's obligated funds is available through eLOCCS. Instructions for the use of eLOCCS are in Notice PIH 2002-28 (HA), Use of eLOCCS (electronic Line of Credit Control System) to Request Operating Subsidy Payments and Elimination of Form HUD-52721.

Further, a drawdown of these funds constitutes an agreement that the current estimated eligibility and obligation is correct. The amount of your agency's obligated funds is available through eLOCCS. Instructions for the use of eLOCCS are in Notice PIH 2002-28 (HA), Use of eLOCCS (electronic Line of Credit Control System) to Request Operating Subsidy Payments and Elimination of Form HUD-52721.

LOCCS/PAS Project No. GA00600047010D

Dear Ms. Reddekopp:

This letter obligates \$245,687 of Operating Fund subsidy for the months of June 2010 through September 2010. The amount of the interim obligation is based on this project's calendar year estimated eligibility. For more information on the methodology used to estimate both subsidy eligibility and funding, please see <http://www.hud.gov/offices/pih/programs/ph/am/of/opfnd2010.cfm>

Please note that the estimated eligibility for this project may vary from its final eligibility determination. Total operating subsidy eligibility and funding amounts for all PHAs, and therefore proration levels, may change once all FFY 2010 operating subsidy forms and revisions have been processed. Adjustments will be made based on approved FFY 2010 applications.

All funds must be used in accordance with the Annual Contributions Contract and associated laws and regulations. By drawing down the funds obligated in this letter, you and your agency are confirming agreement and compliance with the all terms and conditions of the Operating Fund program. Further, a drawdown of these funds constitutes an agreement that the current estimated eligibility and obligation is correct. The amount of your agency's obligated funds is available through eLOCCS. Instructions for the use of eLOCCS are in Notice PIH 2002-28 (HA), Use of eLOCCS (electronic Line of Credit Control System) to Request Operating Subsidy Payments and Elimination of Form HUD-52721.

SUBJECT: **Interim Obligation Letter**, Public Housing Operating Subsidies,
LOCCS/PAS Project No. GA28520010210D

Dear Ms. Hudson:

This letter obligates \$251,453 of Operating Fund subsidy for the months of June 2010 through September 2010. The amount of the interim obligation is based on this project's calendar year estimated eligibility. For more information on the methodology used to estimate both subsidy eligibility and funding, please see <http://www.hud.gov/offices/pih/programs/ph/am/of/opfnd2010.cfm>

Please note that the estimated eligibility for this project may vary from its final eligibility determination. Total operating subsidy eligibility and funding amounts for all PHAs, and therefore proration levels, may change once all FFY 2010 operating subsidy forms and revisions have been processed. Adjustments will be made based on approved FFY 2010 applications.

All funds must be used in accordance with the Annual Contributions Contract and associated laws and regulations. By drawing down the funds obligated in this letter, you and your agency are confirming agreement and compliance with the all terms and conditions of the Operating Fund program. Further, a drawdown of these funds constitutes an agreement that the current estimated eligibility and obligation is correct. The amount of your agency's obligated funds is available through eLOCCS. Instructions for the use of eLOCCS are in Notice PIH 2002-28 (HA), Use of eLOCCS (electronic Line of Credit Control System) to Request Operating Subsidy Payments and Elimination of Form HUD-52721.

Sincerely,

A handwritten signature in black ink, appearing to read "David A. Vargas".
