

APPENDIX A: BROWSER BOOKMARKS

Overview: Bookmarks provide a quick way to access Web pages you visit often. Once you bookmark a Web site, you don't have to remember or type in the URL address access it again. In this example, you will add the *HUD/REAC Home* page as a bookmark.

Action	Example
<ol style="list-style-type: none"> 1. In your browser, go to the Web page you wish to bookmark (in this example, www.hud.gov/offices/reac). 2. Click in the Bookmarks button (next to the URL locator bar) to open the <i>Bookmarks</i> menu. 	<p>The browser displaying the <i>HUD/REAC Home</i> page:</p> 
<ol style="list-style-type: none"> 3. Click on the Add Bookmark option to add the current Web site page to your list of bookmarked sites. 	<p>The <i>Bookmarks</i> menu:</p>  <p>After you click on the Add Bookmark option, the <i>Bookmarks</i> menu disappears from the screen.</p>

Action	Example
<p>4. Click in the Bookmarks button again to open the <i>Bookmarks</i> menu.</p>	<p>The browser with the <i>HUD/REAC Home</i> page displayed:</p>  <p>The <i>Bookmark</i> menu with the new <i>HUD/REAC Home</i> page option:</p>  <p><i>You may test if this worked by exiting out of your browser, then starting it again. Click on the Bookmarks button and click on the HUD/REAC bookmark option. The HUD/REAC Home page should open.</i></p> <p><i>Notice that the new bookmark has been added to your list. (See “Note” below.)</i></p>
<div><p>NOTE: If your Bookmark list already contains other bookmarks, the new bookmark appears at the <u>bottom</u> of the list of available bookmarks.</p></div>
